**PARKING:** Ample on-site free parking

### Parking

There is ample parking in the school grounds. Enter the site through the Butterfly Lane gates. Drive through the first barrier and park in the first carpark on the right hand side (before the second barrier).

### Timing

Please aim to be in the café five to ten minutes before the lesson starts. A member of the team will take pupils to their lesson meet point on poolside.

### The Medburn Centre

The pool is situated in the Medburn Centre. It is a 5-8 minute walk from the carpark. When you leave the carpark, take the first road to the left and head towards the blue astroturf pitches. Follow the road alongside the astroturf pitches and up the hill. The Medburn Centre is at the top of the hill on the left hand side.

### Goggles and Caps

Children are welcome to wear goggles, as long as they are well fitting and your child is able to put on, remove and adjust them independently. A cap if hair is long is a good idea.

### Photography Policy

For child protection reasons we operate a strict no photography policy on site. If you would like to take any photos of your children in or around the pool, please speak to our Poolside Manager.

### Pool

25m, 8 lane modern indoor swimming pool

### Changing Facilities

Please arrive swim ready. There are dedicated male and female changing facilities available for after lessons.

### Food and Drink

We request that swimmers don't eat within the hour prior to swimming. Please do not bring food and drink into the changing rooms, gallery or on to poolside.

### Spectators

There is a large spectator gallery for you to watch your children swim.

### Equipment

We will provide all the necessary equipment - all you need to bring are a swimsuit and towel.

### Smoking

The school is a no smoking site.

### Dogs

No dogs (as much as we love them!) are permitted on the premises.
