**PARKING:** Ample on-site free parking

### Parking

Enter the site through the main gate on Aldenham Road. Park before the first barrier in the gravel area of the carpark as close to the school as possible.

### Timing

Please aim to be in the reception area five to ten minutes before the lesson starts. A member of the team will take pupils to their lesson meet point on pool-side.

### Directions to the Pool

The pool is a 5-8 minute walk from the carpark. Leave the carpark via the footpath, turning right at the end of the path and head towards the playground. Continue past the playground until you reach the large grey pool building at the back of the school

### Goggles and Caps

Children are welcome to wear goggles, as long as they are well fitting and your child is able to put on, remove and adjust them independently. A cap if hair is long is a good idea.

### Photography Policy

For child protection reasons we operate a strict no photography policy on site. If you would like to take any photos of your children in or around the pool, please speak to our Poolside Manager.

### Pool

25m, 6 lane modern indoor swimming pool

### Changing Facilities

Please arrive swim ready. There are dedicated male and female changing facilities available for after lessons.

### Food and Drink

We request that swimmers don't eat within the hour prior to swimming. Please do not bring food and drink into the changing rooms, gallery or on to pool-side.

### Spectators

One parent per child can watch from the spectator gallery (though provided it isn't too crowded a second parent is welcome too).

### Equipment

We will provide all the necessary equipment - all you need to bring are a swimsuit and towel.

### Smoking

The school is a no smoking site.

### Dogs

No dogs (as much as we love them!) are permitted on the premises.
